A Saudi Joint Stock Company is incorporated according to provisions of Companies Law and its regulations, and this memorandum "Memorandum of Association" according to the following:

Article Seven: Company Name

Zahrat Alwaha Trading Company a Public Joint Stock Company (Joint Stock Company)

Article Eight: Participation and possessing companies

The company may establish companies individually (Limited Liability company or closed joint stock company with capital not less than (5) Five million Saudi Riyals.

The Company may own shares or portions in other existing companies or merge with the. The Company shall have the right to participate with others in establishing companies of limited liability for practicing similar or complementary activity or activity after satisfying the requirements of the applicable laws and instructions in this respect. The Company may dispose of these shares or portions provided that this shall not include in brokerage in circulating them.

Article Nine: Company Headquarter

The company head office shall be in Riyadh city, Kingdom of Saudi Arabia, and the Board may establish branches, offices or agencies for the Company inside or outside the Kingdom of Saudi Arabia.

Article Ten: The Company Period:

The Company was established for 99 Gregorian years period starts from the date of recording company in the commercial registry as Joint Stock Company. The Company period may always be extended by a decision of the extraordinary general assembly of at least one year before the expiry of its period.

Chapter Two: Capital and Shares

Article Eleven: Capital

The issued capital is determined in the amount of Two Hundred Twenty five Million Saudi Riyals (225000000) SAR divided into (22500000) nominal shares of equal value, the value of each share is (10) Saudi Riyals, all of them are regular shares in consideration of kind shares, and the paid value thereof as per report of certified evaluator.

Article Twelve: Subscription in Shares

The founders have subscribed in the whole issued capital shares, which reached 225000000 SAR paid in value.

Article Thirteen: Capital

The issued capital is determined in the amount of Two Hundred Twenty five Million Saudi Riyals (225000000) SAR divided into

(22500000) twenty two million five hundred thousand nominal shares of equal value, the value of each share is (10) Saudi Riyals, all of them are regular shares in consideration of kind shares, and the paid value thereof and total of paid shares is Two Hundred Twenty five Million Saudi Riyals (225000000) SAR.

Article Fourteen: Subscription in shares:

The founders subscribed in the entire Company shares equal (22,500,000) Twenty Two Million five Hundred thousand Shares, whereas all partners acknowledge by their joint responsibility towards others for evaluating the submitted assets as kind shares, and they previously fulfilled the whole amount of the capital.

Article Fifteen: Nominal value of Shares:

Shares shall be nominal and may not be issued in less than their nominal value, but may be issued in higher than the said value by approval of extra-general assembly and shall determine regulations of its usage.

Article Sixteen: Privileged Shares:

The Extraordinary General Assembly may, according to the rules stipulates by competent authority, issue privileged shares or may purchase or transfer ordinary shares to privileged shares or may transfer privileged shares to ordinary shares, provided that these privileged shares shall not grant the right of vote in shareholders' general assembly. The said shares shall grant their holders ration from net profits of the company more than ordinary shares holders after setting aside the legal reserve.

Article Seventeen: selling shares that not meet value:

The shareholder shall pay value of share on specific time, If a shareholder fails to pay a share value within the time specified for that, the Board of Directors may- after sending a notice of that to the shareholder by registered mail or by email to his address stated in the shareholders' record- sell the share in an auction or capital exchange Market according to restrictions issued by competent authority. The Company shall collect the amounts due to it from the sale revenue and give the balance to the shareholder. If the sale revenue is not adequate for covering the amounts due to the Company, the Company may deduct the balance from all the shareholder's funds. Despite that the shareholder in default may- up to the date fixed for selling- pay the amount due from him plus the expenses spent by the Company in this regard. The company shall cancel sold shares in accordance with provisions of this article and shall grant the purchaser new share with number of cancelled share and indicate in shares record for selling and stating name of the new holder.

Article Eighteen: Shares issuance:

Shares shall be nominal and may not be issued in less than their nominal value, but may be issued in higher than the said value. In the latter case, the difference in value shall be added in independent item for shareholders' rights and may not be distributed as profits for shareholders. A share shall not be dividable for the Company. If a share is held by several persons, they must select one of them to act on behalf of them in using the

share rights and those persons shall be jointly liable for the obligations appertaining to the share ownership.

Article Nineteen: Shares Exchange:

Subscribed shares by founders may not be exchanged except after publishing the financial statements for twenty financial years and shall not be less than twelve months from the date of company's transfer. During the said period of banning, for the rest of this period, Documents of shares shall be ticked to indicate the type of documents, the date of the Company transfer and the period during which exchange is banned. Despite that and during the ban period mentioned above. Cash shares ownership may be transferred during the ban period according to the provisions of selling shares by a founder to another founder or to one of the members of the Board of Directors to be submitted as a warranty to the Management or be transferred from the inheritors of one of the late founders to others. The provisions of this article shall be applicable to founders in case of capital increase before ban expiry.

Article Twenty: Shareholders' Record

The company's shares shall be circulated in accordance with laws of capital Market.

Article Twenty One: purchasing, selling and mortgaging company's shares

- 1- The company may purchase its nominal or privileged shares or liens them in accordance with rules and procedures of the

competent authority and such purchased shares shall not have votes in shareholders' Assembly.

- 2- The company may purchase shares and allocate them for company's personnel in accordance with the program of personnel shares in accordance with rules and procedures of the competent authority.
- 3- The company may sell shares on one phase or several phases in accordance with rules and procedures of the competent authority.
- 4- The company may lien its shares for guarantying debit in accordance with rules and procedures of the competent authority.

Article Twenty Two: Capital Increase:

1. The Extra-Ordinary General Assembly may decide to increase the Company capital provided that the original capital has been fully paid up, not provided that paying full value of capital if part of unpaid shares due to shares issued against transferring debit tools or financing instruments to shares and related period didn't expire for transferring to shares.
2. The Extra-Ordinary General Assembly shall allocate issued shares in case of increasing capital or part thereof in company or affiliated company, and shareholders' shall not

- have right to practice priority right in case of issuing shares to personnel.
3. The owner shareholder shall have, at time of extra-ordinary general assembly decision to increase capital, right to priority in subscribing in new shares against cash shares, and shall be notified by such right by publishing in daily newspaper or being notified through registered mail about decision of increasing capital, subscription conditions, period, date of start and expiry.
 4. The extra-ordinary general assembly shall stop priority right in subscribing by increasing capital against cash shares, or giving priority to non-founders in cases deemed proper to company.
 5. The shareholder shall have right to sell priority right or assign it within time of issuing general assembly decision for approval to increase capital to last day of subscription in these new shares related to these rights, in accordance with restrictions imposed by competent authority.
 6. subject to paragraph (4) stated above, the new shares shall be distributed to the original shareholders who request subscription according to the percentage of the original shares they hold provided that what they receive shall not exceed what they requested from the new shares. The remaining new shares shall be distributed to the original shareholders who request more than their interest according

to the percentage of the original shares they hold provided that what they receive shall not exceed what they requested from the new shares. The remaining shares shall be offered for general subscription, unless the extra-ordinary general assembly decided or capital market stated otherwise.

Article Twenty Three: Capital Decrease:

- 1- The Extra-Ordinary General Assembly may decide to decrease the Company capital if it exceeds its need or if a loss occurs to the Company. In latter case, the capital may be decreased according to article of (fifty Nine) of companies' law. This decision of the extra-ordinary general assembly may only be issued upon an auditor's report stating the reasons for that, the Company liabilities, the decrease effect on these liabilities.
- 2- If the decrease is as a result of the capital excess to the Company need, creditors must be called to state their objections to it within 60 days from the date of publishing the decrease decision in a daily newspaper to be distributed in the same location of the Company Head Office. If any one of the creditors objects and submitted to the Company his documents within the said period, the Company must pay him his debt if it is due or submit an adequate guarantee for the debt settlement if it is deferred.
- 3- The reduction shall not be applied on the creditor who submitted his request within the timeframe set forth in paragraph (2) of this article unless he collected his mature

debt or obtained the sufficient guarantee for fulfilling what is not mature thereof.

Chapter three: The Board of Directors

Article Twenty four: Management:

The Company shall be managed by a board consists of (6) members of natural capacity and shall be appointed by the ordinary general assembly for a period of no more than four years, excluding that the first founders have appointed the first board of directors shall be four years as follows:

SN	Name	Capacity
1	Ahmed Hemoud Ibrahim Altheyab	Board chairman
2	Taha Mohammed Abdulwahed Azhari	Vice- chairman
3	George abdukarim Mousa	Board Member
4	Meshaal Mohammed Saleh Almoqrin	Board Member
5	Sahl Yousif Abdullah Jamal Alalil	Board Member
6	Ahmed Hassan Ahmed Ali	Board Member

Article Twenty Five: membership expiry or termination:

The Board membership shall expire by the end of its period, or expiry of member validity in accordance with valid instructions and laws of Kingdom of Saudi Arabia. The ordinary general assembly may in any case, remove or fire all members of board of directors or some of them without prejudice to rights of fired member to claim compensation, if such removal due to unacceptable and in improper time. The board member may resign on proper time or he will be liable of incurred damages by company. The general

assembly may- upon recommendation of board, terminate membership of any member if he was absent for three consecutive meetings or five separate meetings during membership period without reasonable cause accepted by the board of directors.

Article Twenty Six: Board Authorities

Pursuant to the prescribed specialties for the general assembly, the board of directors shall have the widest authorities in managing the company with what achieves its purposes, and it shall be entitled to:

It is conditioned for the board of directors to obtain the approval of the general assembly when selling shares in value exceeds (fifty percent) of the total value of its shares whether the sale has been done through a single transaction or several transactions, and in this case, the transaction that leads to exceeding the percentage of (fifty percent) of the asset value, shall be considered the transaction that must obtain the approval of the general assembly, and this percentage shall be counted from the date of first transaction done during (the twelve) past months. The board of directors may, within the limits of specialties, authorize one or more of its members or of the other in carrying out a specific work(s).

Article Twenty Seven: Remuneration of the Board Members

1. The board of directors remuneration consists of a percentage of the net profit, in-kind benefits, attendance allowance for sessions, a specific amount or as determined by the ordinary assembly.
2. The board of directors' report to the ordinary general assembly in its annual meeting shall contain a comprehensive statement of everything obtained or entitled to be obtained by each member of the board of directors during the fiscal year of remunerations, allowance of sessions attendance, allowance of expenses and otherwise benefits. It shall also contain a statement of what is received by the board members with their description as employees or administrators or what they have received in consideration of technical, administrative or consultative works, and it shall also contain a statement of the number of

the board sessions and the number of sessions attended by each member.

Article Twenty Eight: Authorities of Chairman, Deputy, Managing Director and Secretary

The board of directors shall appoint in its first meeting from its members a chairman for the board, and it may appoint from its members a managing director or a deputy for the board of directors chairman.

1. The board of directors shall appoint a chief executive officer from its members or others.

The board chairman shall be specialized with

The deputy chairman shall be specialized with

Attending the general assemblies

Entitled to empower

The board of directors shall appoint a secretary selected from its members or from others.

The chairman of the board of directors may authorize (under a written resolution) certain authorities to the other members of the board or from the other to carry out a specific work(s). The deputy chairman of the board of directors shall supersede the chairman of the board of directors when he is absent in the cases in which the board of directors has a deputy chairman.

Article Twenty Nine: Board of Directors:

The Company shall be managed by a board consists of (6) members and shall be appointed by the ordinary general assembly for a period of no more than four years, and board of directors may be re-elected and appointed by cumulative voting method.

Article Thirty: Vacant position in Board:

If the position of any one of the Board members becomes vacant, the Board may appoint a temporary member for the vacant position and such member shall be upon recommendation of committee of rewards and recommendations and shall have experience and adequacy. The Capital Market Authority shall be notified within fifteen (15) business days from date of appointment provided that the Board shall submit this appointment to the Ordinary General Assembly at its first meeting, and the new member shall complete the period of his predecessor. In case of unavailability of required conditions for holding meeting due to the number of the Board members becomes less than the quorum required for the Board meetings validity, the remaining members

shall call the ordinary general assembly for meeting within sixty (60) days to appoint the necessary number of members.

Article Thirty one: company's assets sale

It is conditioned for the board of directors to obtain the approval of the general assembly when selling shares in value exceeds (fifty percent) (50%) of the total value of its shares whether the sale has been done through a single transaction or several transactions, and in this case, the transaction that leads to exceeding the percentage of (fifty percent) (50%) of the asset value, shall be considered the transaction that must obtain the approval of the general assembly, and this percentage shall be counted from the date of first transaction done during (the twelve) past months. The competent authority may exclude some works or acts from provisions of this article.

Article Thirty Two: Board Rewards:

The rewards of board of directors' member, if any, shall consist of specific amount determined by general assembly and shall not exceed five hundred thousand Saudi Riyals or allowance for session attendance, or kind benefits or specific ration from net profits. It may combine between two or more in accordance with what stated in these articles of association and according to companies act and regulations thereof. The Board report to be submitted to the general assembly shall include a comprehensive statement on all rewards, allowances, expenses other benefits which the Board members receive during the financial year. The said report shall include a statement of what the Board members receives as employees or administrators or what they receive

against technical, administrative or consultative works and shall include statement for number of sessions attended by each member from date of last General Assembly meeting.

Article Thirty Three: Board Meetings

- 1- The board of directors shall convene a meeting at least (four) (4) times per year with an invitation from its chairman. The board chairman shall invite the board for meeting whenever requested in written by any member in the board to discuss one or more topic(s).
- 2- The board of directors meeting shall be valid only if it is attended by a percentage of 50 of the members personally or on behalf of them at least.
- 3- Resolutions of the board of directors shall be issued with majority of votes of the attending members personally or on behalf of them at least, and when the votes are equal, the side with which the meeting president has voted shall be casted.
- 4- The board of directors shall determine the place of convening its meetings, and they may be convened by using the modern technological means.
- 5- The convocation for board members may be written or by registered letter or by email.

Article Thirty Four: Meetings delegation, validity of board resolutions and issuing decisions in urgent matters :

If a Board member delegates another member of the Board to attend the Board meetings on behalf of him, delegation shall be in accordance with the following restrictions:

- A. Board member may not attend the Board meetings on behalf of more than one member in the same meeting.
- B. Delegation shall be made in writing for specific meeting.
- C. A delegate member may not vote on decisions which rule prohibits the delegate from voting.
- 2- The board decision shall be valid from date of issue, unless otherwise stated by another time or for realizing specific conditions.
- 3- The board of directors may issue its resolutions in the urgent matters through presenting them to all members by passing, unless a member requests - in writing – convening the board meeting to deliberate therein. Those resolutions shall be issued with approval of majority votes of its members. These resolutions shall be presented to the board in the first meeting following it to prove them in the minutes of that meeting.

Article Thirty five: the Board Decisions and deliberations:

The Board deliberations and decisions shall be entered in minutes to be signed by the Chairman, attended board members and the Secretary. These minutes shall be entered in a special record to be signed by the Chairman and the Secretary of the Board.

Article Thirty Six: Board Committees:

Board of Directors shall form committees whether from board members or from third parties according to company's needs, its circumstances and its position for helping in performing its tasks and duties according to general procedures prepared by the board, determining duties of the committee, restrictions of works, rewards of its members by decision issued by board of Directors within special regulation for each committee determined by board of directors, and such committees shall be concerned with specific duties in accordance with related regulations and laws imposed by competent authority.

Article Thirty Seven: Committee formation:

Such auditing committee shall be formed by decision of general assembly and shall consist of (3) three members who are not member of executive board whether shareholders or others. The decision shall fix duties of the committee, work restrictions, and rewards of its members.

Article Thirty Eight: Quorum of Auditing Committee Meeting:

The meeting of auditing committee shall be valid and legal by presence of all members, and its decisions shall be rendered by majority of all attended members, in case of equal votes, committee chairman shall have the casting vote.

Article Thirty Nine: Committee Specialties:

The auditing committee shall monitor company's business, and shall have right to review company's records and documents and requesting any declaration or statement from board members or

the executive management. The committee may request from board to hold general assembly if board hinder its activities or if the company incurred big losses.

Article Forty: Committee's Reports

The committee shall consider financial statements, reports and remarks of auditor and shall submit its visions in this regard if any, and shall issue reports about its opinion and adequacy of internal control system, and its other works in this regard. The board shall deposit adequate copies from this report in head office of the company before holding general assembly by twenty one days at least to be submitted to shareholders. The report shall be read during holding the assembly.

Chapter Four: Assemblies of Shareholders

Article Forty One: Invitations to Assemblies

- 1- The general and private assemblies shall be convened by an invitation from the board of directors, and the board of directors shall invite the ordinary general assembly to convene within (thirty) days from the date of request by the auditor or one or more shareholders representing at least (ten percent) of the company's shares that have the voting rights. The auditor may invite the ordinary general assembly to convene if the board did not direct the invitation within (thirty) days from the date of request by the auditor.
- 2- The referred request in paragraph (1) of this article shall indicate the matters required to vote thereon by the shareholders.

- 3- Direction of the invitation for the assembly convening shall be at least (twenty one) days prior the determined date thereto according to the law provisions, pursuant to the following:
- a- Informing the shareholders with registered letters to their addresses set forth in the shareholders' register, or announcement of the invitation through the modern technological means.
 - b- Sending a copy of the invitation and agenda to the commercial register, as well as a copy to the Capital Market Authority if the company is enlisted in the capital market in the date of invitation announcement.
- 4- The invitation for the assembly meeting shall contain at least, the following:
- a- A statement of the right holder in attending the assembly meeting and his right in delegating whoever he selects from otherwise the board of directors members, and a statement of the shareholder's right in discussing the topics enlisted in the assembly's agenda, directing the questions and the manner how to practice the voting right.
 - b- The place, date and time of convening the meeting.
 - c- The type of assembly whether general or private assembly.
 - d- The meeting agenda including the items required to vote thereon by the shareholders.

Article Forty Two: Voting in Assemblies

- 1- Election of members of the board of directors shall be through cumulative voting, and the members of the board of directors may not participate in voting on the assembly resolutions related to the works and contracts, in which they have a direct or indirect interest or that contain conflict of interests.

Article Forty Three: Preparing Minutes of Assemblies

- 1- A minutes of the assembly meeting shall be issued, containing the number of attending shareholders personally or on behalf of them, the number of shares in their possession personally or on behalf of them, the number of determined votes thereto, the taken resolutions, the number of votes on which they have approved or objected, and a brief summary of the discussions deliberated in the meeting.
